ABOUT ME

Diligent and quick learner, I am a dedicated professional passionate about crafting user-friendly websites. With a strong work ethic and adaptability, I excel in **HTML**, **CSS**, **JavaScript, JQuery, Bootstrap** and **TailwindCSS**, applying **responsive design** principles. Proficient in **Figma**, I understand UX/UI design. Seeking opportunities to contribute my skills to a dynamic team, I aim to create innovative and impactful digital experiences

ACHIVEMENTS	SKILLS	KEY COMPETENCIES
• TCS ION Career Edge	• Technical Skills	• Leadership
• TCS Communication Skills	• Project Management	• Teamwork
• C-DAC (C++)	• Web Development	• Communication Skills
• JavaScript Project(GL)	• Frameworks	• Problem-Solving Skills

PROFESSIONAL EXPERIENCES

Associate Web / UI-UX Designer(Tridhya Tech Limited)   Feb 2024 - Present

Technologies: HTML5 , CSS3 , SCSS , Bootstrap5 , Tailwind CSS , jQuery , JavaScript , Figma

- Designed and developed interactive user interfaces with HTML5, CSS3, and JavaScript, ensuring a seamless user experience across various platforms.
- Leveraged Bootstrap5 and Tailwind CSS frameworks to create responsive and visually consistent designs, optimizing for multiple devices and screen sizes.
- Managed the end-to-end development process, with a strong focus on frontend development, while adhering to project timelines and maintaining high-quality standards.
- Utilized Figma for creating wireframes and prototypes, translating design concepts into functional web applications.
- Collaborated with cross-functional teams to ensure cohesive design and functionality, contributing to the overall project success.

ACADEMIC PROJECTS

Advertise Me

Advertisement Website   July 2023 - Dec 2023

- Developed an advertisement platform enabling local shop owners to showcase their businesses. Utilized HTML, CSS, JavaScript, and Bootstrap for the front end, while Apache and MySQL were employed for the backend. The platform empowers users to upload shop images, display products, share addresses, and run targeted advertisements, enhancing their online presence effectively

UShip

E- Commerce Website   Jan 2023 - Jun 2023

- Developed a user-friendly E-commerce website using HTML, CSS, and JavaScript, ensuring a seamless shopping experience. Integrated secure payment methods and efficient inventory management for smooth transactions. The straightforward design enhances customer satisfaction, fostering business growth through an accessible and enjoyable online platform
